

2024 READ-A-THON

Readers and Families,

Harvey Milk Civil Rights Academy is ready to kick off the 2024 Read-a-thon!

What IS Read-a-thon? First and foremost, it's a **Celebration of Reading!** For 10 days, students will be encouraged to read! Students will track and turn in their own minutes.

Secondly, in order to support the school's financial needs, **Read-a-thon is also a fundraiser** (though raising funds is NOT required to participate). Please encourage friends and family to support your reader!

Finally, Read-a-thon gives students the opportunity to **SET a goal, and then WORK toward that goal.** All students who meet or beat their goals will receive special recognition.

READ-A-THON TIMELINE

Before March 4:

SET A GOAL

Go to harveymilkpfc.org/readathon to help your student set their goal for the number of minutes they can read in 10 days. A special prize given to ALL readers who set and MEET OR BEAT their goals.

Students can ask their families and friends to "sponsor" them as they work toward their goal. This is a great fundraiser to share with friends and family. Room parents will email helpful tips soon.

GET SPONSORS

March 5-14:

FIND SOMETHING TO READ

ALL reading counts: books they read, books students had read to them, comic books, reading for school, reading for fun.... All of it! There will be a school-wide book fair March 6-10 as well.

Use the online form or the paper log on the back. **Minutes must be logged to count.** Online minutes can be entered daily, or once at the end.

TRACK YOUR MINUTES

JOIN YOUR READERS!

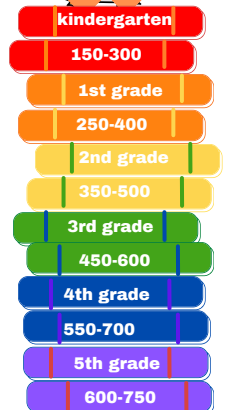

Parents/Families can join their readers and find a recommended reading list from the Diversity, Equity & Inclusion Committee at harveymilkpfc.org/readathon.

March 15-19:

In order to have your minutes count toward your goal and your class's tally, all minutes must be turned in to your teacher or online via this form by March 19th.

TURN IN YOUR MINUTES

2024 READ-A-THON

The first day of the reading period is Tuesday, March 5, and the last day is Thursday, March 14. Keep track of your reading minutes and have a parent or adult initial each line. At the end of the reading period, add up the Grand Total of Minutes Read and use that number to complete your Sponsors form. Give all forms to your classroom teacher on Friday, March 15.
